We're sorry, baggage information is currently unavailable. Please refer to Air Canada's checked baggage policy or our partner airline's checked baggage policy for more information.

Currency

Fees are displayed in the currency of the first departure city on your ticket. Please note the currency exchange rate will be determined by the date of travel and any applicable fees will be assessed in the local currency of the country/region you are travelling from. Certain exceptions may apply where the departure airport does not charge in local currency.

Stopovers

Checked baggage fees may be reassessed when itineraries include an enroute stopover of more than 24 hours.

Note: If you exceed your baggage allowance (in number, size and/or weight), additional checked baggage charges will apply. The policy and fees will be those of the carrier identified in the checked baggage information section.
